

Sermon Notes
“Blazing a Trail; Leaving Footprints” (Eph 3:20-21)
Aug 16, 2020

Theme: Our role today must be filtered through a missional lens.

➤ **Gathering Matters:**

Assembly of the King: Presence

Household of God: Word & Worship

Bearers of Good News: Witness

➤ **BCC Mission Statement & Purposes**

Encounter His Glory

Glorify His Glory

➤ **Communion Reflections**

➤ **Consider: The important vs the Ultimate**

Small Group Discussion:

- List the things you are uncertain and fearful of today? What impact is that having on your relationships, and the gathering and mission of our church?

- What aspects of the church’s identity (Assembly, Household, Bearers) do you need reminding of the most? In what ways are these uncertain times impacting your connection & purpose?

- Reflect back on how you have encountered God’s glory in the past? Today, how are you putting God in the spotlight? Do people see God through you. What areas are still in the dark?

- Looking at BCC mission and purposes, what inspires you? What makes you unsure? Do you see yourself a part of this? What are we doing well and what do we need to improve on?

- What has been “important & ultimate” in your life over the last few months? What needs to change. Regardless of cost, is ‘glorifying God’s name’ been *the* priority in your daily life?
