LIGHT MADE PRACTICAL

The background of the slide shows two people walking away from the viewer on a dirt path. They are walking towards a very bright, hazy light source, likely the sun, which creates a strong lens flare and silhouettes the figures. The path is uneven and appears to be in a natural, outdoor setting.

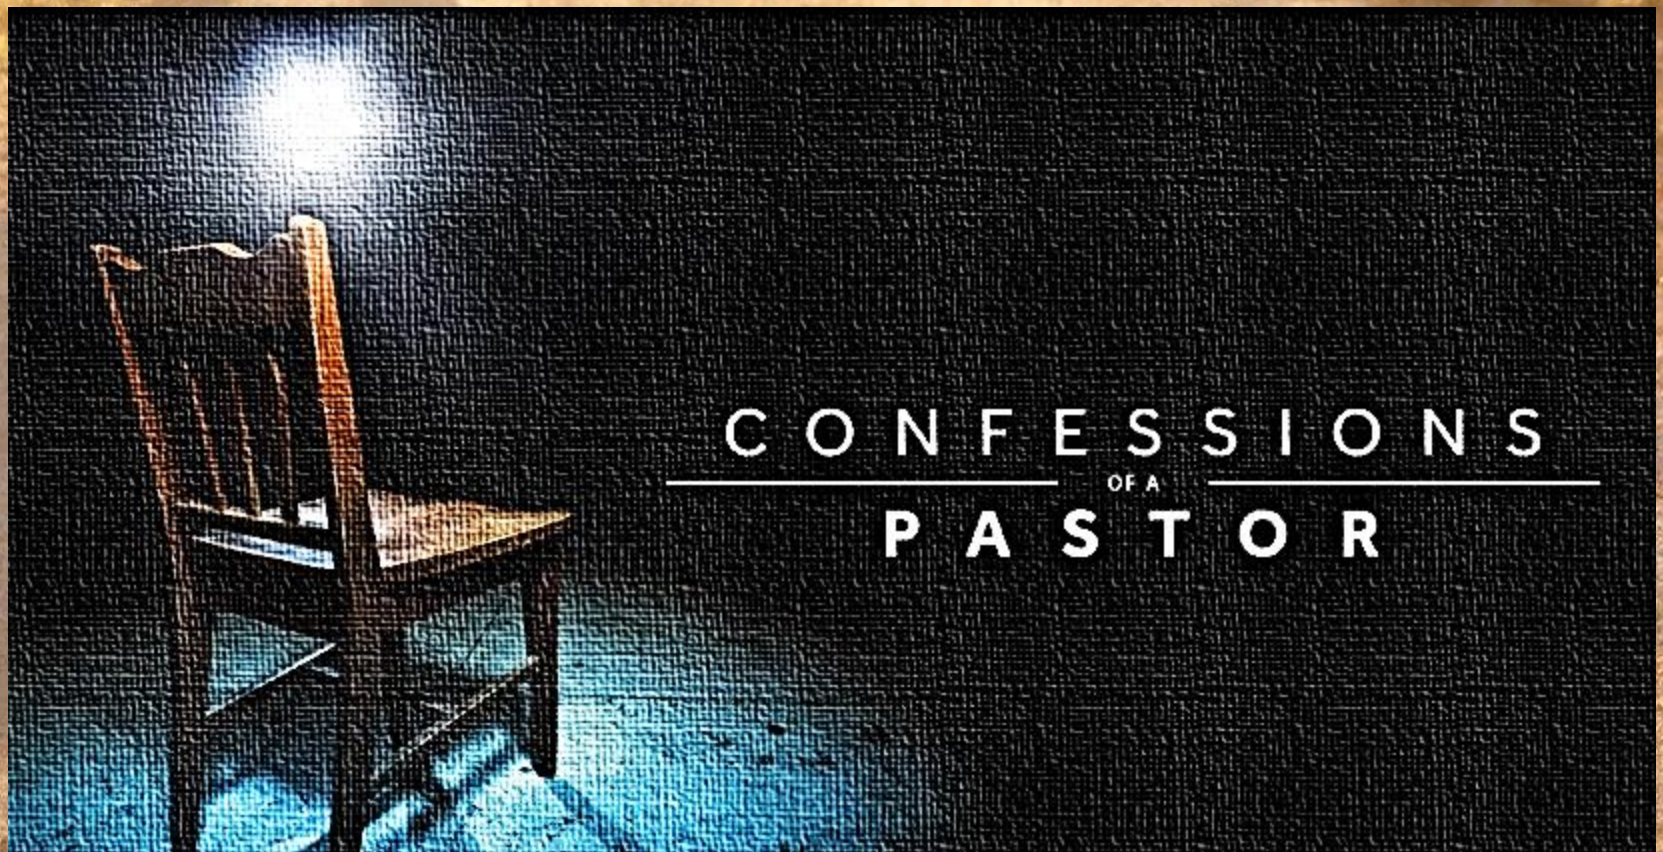

LIGHT MADE PRACTICAL

The background of the slide features a warm, golden-hued photograph of two individuals walking away from the viewer down a dirt path. They are silhouetted against a very bright, glowing light source, likely the sun, which creates a strong lens flare and illuminates the scene. The path leads towards the light, and the overall atmosphere is one of hope and journey.

A person and a dog are walking away from the viewer on a dirt path. The person is on the left, wearing a dark jacket and carrying a bag. The dog is on the right, walking slightly ahead. The path leads towards a bright, hazy sunset or sunrise, with the sun low on the horizon, creating a strong backlight effect. The sky is a mix of orange, yellow, and light blue. The ground is a mix of dirt and sparse grass.
