Discussion Questions

These questions are only a guide. Feel free to share how God has spoken to you, what areas you question &/or do not understand. Allow the Holy Spirit to guide your discussion.

We often focus on being a ‘Follower of Jesus’ and being ‘in Christ.’ But we are to live with the Holy Spirit ‘in us’ How often have you focused the Spirit’s leading? What does that even look like?

Evaluate the people/places/things you focus on during the week. What do they reveal about your ‘being’ (8:5)? Which ones emerge out of the ‘flesh’ and which out of the ‘Spirit’? How do you tell the difference?

Think of the people you interact with everyday. Of those who have a ‘mind of flesh’, how do you see hopelessness, hostility and helplessness? In what ways are these still a part of your life?

Think of a genuine follower of Jesus you respect and would like to model your life after. How do you see ‘life and peace’ exemplified in their life? What life-choices do they make that bring that result?

Take time to remember a season when you experienced genuine life and peace What were the circumstances? Was it the Spirit in the midst of real life or was it merely an escape? How was God at work?

We’ve been focusing on reading & listening and connecting. As a group, share a verse or small passage that you can meditate on each day. What difference could that make? Do you believe it’s possible?
