

AUDIOVISUAL MANAGER Ministry Description

The Audiovisual ministry exists to ensure that the message delivered from the stage – be it speech, music, or video – is reliably reinforced with power and clarity so that the Gospel may be preached without distraction.

The Audiovisual Manager shall be responsible for (but not limited to) the following:

1. Operation of the sound system
2. Regulation of appropriate sanctuary lighting
3. Recording of church services
4. Training volunteers to operate the sound system and computer programs for worship services
5. Working with worship teams at practices and during services
6. Troubleshooting and repairing sound equipment
7. Collaborating with church leadership to expand the audiovisual system effectively and responsibly

To glorify God's name by leading people into a mature and fulfilling relationship with Jesus Christ
