Ministry Purpose Statement:

Peace by Piece is a group of local women whose heart is to share the good news of Jesus Christ with as many people as we can.

Goals/objectives:

1. Share Christ with as many people as we can.
2. We primarily focus our efforts on the vulnerable and downtrodden

Strategies:

1. We share the good news using visual aids, craft pieces and Chronological bible teaching.
2. Everyone who takes part learns basic sewing and/or beading.
3. Carefully designing each craft PIECE symbolizes the visual aids used in telling the story.
4. The craft reminds the participants of God's love, His purpose and His plan for their life.
5. Do outreach regularly in Women's shelters, Youth prisons and any other organization who will have us.
6. Community outreaches such as craft nights @ community halls.

Implementation:

1. Regularly meet together as a team to pray, fellowship, and seek God's guidance.
2. We seek out Women who have a desire to speak into the lives of vulnerable women and girls (no need to know how to sew, we will teach it).
3. Each volunteer commits to meet and fellowship regularly to ensure a heart that is prepared to enter hard places with vulnerable people.

Online ministry description:

Peace by Piece ministries “stitching together the story of hope”

Peace by Piece ministries is a group local women and men who’s heart is to share the true hope through Jesus Christ with as many men, women, girls and boys, as we can reach. We share the good news of Jesus using visual aid, craft pieces and chronological Bible teaching. Everyone who takes part learns basic sewing, beading, or woodworking. Each project (free, and ready to take home) has been carefully designed so that each component replicates the visual aids used in telling the story; and reminds the participants of God’s love, His purpose and His plan for their life.

Our goal as a group is to meet twice a month for fellowship, to pray and to get our out-reaches organized. This is a crucial part of Peace by Piece.

If you’re interested, and have a desire speak into the lives of vulnerable peoples, please come and talk to us!
